# OSMOSIS SKIN MAPPING

**Our bodies are constantly showing us what they need; all we have to do is understand the clues.**

In development for over a decade and accurate on all skin types, the Osmosis Skin Mapping approach is a thoroughly researched and clinically proven breakthrough that provides clear assistance in the analysis of the organs, toxins, and mechanisms involved in most common skin conditions. Each facial zone represents an organ and the internal imbalances that often reveal themselves on the skin.

To uncover the cause of your unique skin condition, use our Skin Map to reveal the origin of each skin concern.

## skin conditions and recommendations

### ACNE: BLACKHEADS

**SKIN ZONE:** Nose, Cheek, Forehead, Chin

**ORGAN:** Esophagus, Intestines, Chest, Rectum

This condition is caused by purging mucus from our organs.

#### PRODUCT RECOMMENDATION

**Topical:** Rescue; Clarify

**Internal:** Skin Clarifier, Digestive Support, Recovery

### ACNE: DIGESTIVE

**SKIN ZONE:** Nose, Upper Cheek, Forehead, Chin

**ORGAN:** Esophagus, Small/Large Intestines, Rectum

Skin conditions that appear in these zones are caused by imbalances due to toxins from an overgrowth of candida in the digestive tract. This is often caused by hormones, sugar, and mucus-producing foods, dairy, fried foods, and citric acid.

#### PRODUCT RECOMMENDATION

**Topical:** Rescue; spot treat with Clarify

**Internal:** Skin Clarifier, Skin Perfection Elixir, Recovery

### ACNE: LIVER

**SKIN ZONE:** Jawline, Neck, Chest, Back

**ORGAN:** Liver

Skin conditions that appear in these zones are caused by estrogen-like environmental toxins. Food preservatives are purged in Liver Zone 1 (jawline). Pesticides purge in Liver Zone 2 (neck). Chlorine purges in Liver Zone 3 (chest and back).

#### PRODUCT RECOMMENDATION

**Topical:** Rescue; spot treat with Clarify

**Internal:** Skin Defense, Skin Perfection Elixir

### AGING

**SKIN ZONE:** All

**ORGAN:** Vital Organs, Tissues and Cells

Aging is affected by every organ's lost vitality, hormone changes, environmental toxicity, and the skin's immune strength. Skin changes include oxidation (free-radical damage), texture and pore changes, facial lines, and laxity.

#### PRODUCT RECOMMENDATION

**Topical:** Catalyst AC-11®, Correct, StemFactor, Rescue

**Internal:** Skin Defense, Elevate, Ageless Vitality Elixir, Hormone Relief Elixir, Recovery

### DARK CIRCLES OR PUFFY

### EYES

**SKIN ZONE:** Eyes

**ORGAN:** Adrenals, Kidneys

Upper eyelids represent the adrenals; irritation in this area can be related to stress. The skin just below the eyes reflects the kidneys. Puffiness is caused by many pain medications and/or alcohol. Dark circles are from poor sleep or heavy metals with both weakening kidney health.

#### PRODUCT RECOMMENDATION

**Topical:** Vitamin A Serum, Refresh

**Internal:** Hormone Relief Elixir, Relax & Unwind Elixir

### HYPERPIGMENTATION

**SKIN ZONE:** Face and Body

**ORGAN:** Liver

Discoloration on the face and body is caused by sun damage or liver damage. Healing age spots so that they do not return requires repair of oxidation and DNA damage in a way only Osmosis patented protocols can do. Visit [osmosisbeauty.com](http://osmosisbeauty.com) for more information on the medications at the root of liver spots and melasma.

#### PRODUCT RECOMMENDATION

**Topical:** Catalyst AC-11®, Correct, Rescue

**Internal:** Skin Defense, Immune Activator, Ageless Vitality Elixir, Regenerate

### ROSACEA

**SKIN ZONE:** Nose, Upper and Lower Cheek, Chin

**ORGAN:** Esophagus, Stomach, Intestines, Rectum

Inflammation in the digestive tract is the cause of rosacea. The esophagus zone suffers from acid reflux including capillaries on the side of the nose. The stomach zone reacts to H.Pylori and gastritis. The intestine zones become red from candida, gluten, food allergies, IBS, and more.

#### PRODUCT RECOMMENDATION

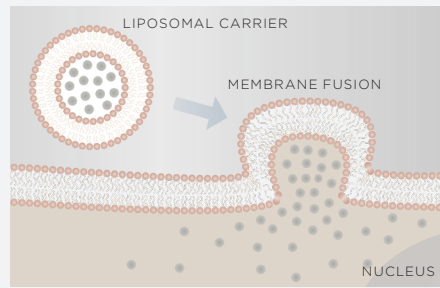

**Topical:** Rescue, StemFactor, Calm

**Internal:** Immune Activator, Digestive Support, Skin Perfection Elixir, Skin Clarifier, Recovery

## FROM OUR CUSTOMERS

### GETTING COMPLIMENTS AFTER I STARTED USING THIS!

This is by far the best retinoid product I have ever tried. Apart from other retinoid serums, I saw a positive difference in my skin immediately (apart from other products where my skin has gotten worse to begin with). I'm not the only one who has noticed a difference in my skin, other people have pointed it out too. Skin looks clearer, brighter, more glowy, pores are smaller and the fine lines in my forehead are disappearing. Amazing product! I've finally found a retinoid I will stick to!

- Product review from Eira on **Renew**

### STEMFACTOR!

I have been using StemFactor for 6 weeks now and the clarity in my skin is truly amazing. There has been a significant improvement in the texture of my skin as well as the feel. I love it and won't be going back... it's onwards and upwards with StemFactor.

- Product review from Natasha on **StemFactor**

### SO FRESH SO CLEAN!

I absolutely love this cleanser, it removes all of my make up with ease and makes my skin feel so fresh & clean after! Also helps with my breakouts & I feel good about using a cleanser with such pure ingredients! Give this a try, it'll be your new fave!

- Product review from Kayla on **Deep Clean**

### THIS IS AMAZING SUN PROTECTION!

I love this amazing sun protection, it is truly a gift to protect skin with technology and mindfulness that Osmosis brings to the industry. Thank you Osmosis!

- Product review from Jen on **Protect**
